

Clip Valve Cutaway

Model: 295-714

DAC Worldwide's Clip Valve Cutaway (295-714) is a sectioned industrial valve sample that allows for valuable classroom training in the operation, construction, and maintenance of industrial clip gate valves.

Through carefully-planned sectioning and color-coding, the complete internal configuration of the valve is exposed and showcased. Seal features and hardware locations have been retained, allowing for "hands-on" training in maintenance.

These screwed-connection, easy-to-maintain valves are commonly used in temporary field-installed oil & gas production applications. They are of particular interest to those involved in oil & gas production operations and maintenance training.

FEATURES & SPECIFICATIONS ***Important Product Note:** Photographs are representative and for reference only. Product appearance and dimensions may vary based upon component manufacturer and availability. Any product dimensions given, such as size and weight, are approximate and for directional use only. For the most accurate shipping dimensions and weights, please contact the manufacturer.*

- Sectioning of actual industrial hardware (common valve makes and models chosen for industrial training relevance).
- Cleaning, priming, and painting using a high-durability urethane coating.
- Color-coding of valve body, internal surfaces, seat, and closure device using high-contrast colors.
- 13-gauge, formed-steel mounting stand with provision for tabletop mounting or mounting on related DAC Worldwide bench, workstation, storage rack, and display products.
- Manufacturer's maintenance manual.
- Packaging for shipment via parcel service.

PRODUCT DIMENSIONS

- **Product Dimensions**
(L x W x H)

8 1/2in. x 8 1/2in. x 10 3/4in. (216 x 216 x 273 mm)

- **Shipping Dimensions**

(L x W x H)

13in. x 13in. x 13in. (330 x 330 x 330 mm)

DISCLAIMER: Product Dimensions are approximate. Shipping Dimensions and Weights are for directional use only and may change based on manufacturer variables. For the most accurate Shipping Dimensions and Weights, please contact the manufacturer.
