

# Downsized Flush Bottom Tank Valve Cutaway

Model: 265D

DAC Worldwide's Downsized Flush Bottom Tank Valve Cutaway (265D) is an economical, professionally-crafted, sectioned valve sample that allows for convenient classroom training in the operation, construction, and maintenance of an industrial flush bottom tank valve.

Through carefully-planned sectioning and color-coding, the complete internal configuration of the valve is exposed and showcased. Seal features and hardware locations have been retained, allowing for "hands-on" training in maintenance.

The cutaway is mounted on a formed-steel, 13-gauge mounting stand and pipe mounting stanchion with provision for tabletop mounting. It can also be mounted on related DAC Worldwide bench, workstation, and storage rack products.

## **FEATURES & SPECIFICATIONS**

**Important Product Note:** Photographs are representative and for reference only. Product appearance and dimensions may vary based upon component manufacturer and availability. Any product dimensions given, such as size and weight, are approximate and for directional use only. For the most accurate shipping dimensions and weights, please contact the manufacturer.

- Sectioning of actual hardware (common valve makes and models by well-known US manufacturers are chosen for industrial training relevancy).
- Cleaning, priming, and painting using a high-durability, urethane coating.
- Color-coding of valve body, internal surfaces, seat, and closure devices using contrast colors.
- Replacement plated hardware where necessary.
- All gaskets, o-rings, seals, and seats shown.
- Formed-steel, 13-gauge mounting stand and pipe mounting stanchion with provision for tabletop mounting.
- Provision for mounting on related DAC Worldwide bench, workstation, and storage rack products.

- Packaging for shipment via courier or mail service.

## **PRODUCT DIMENSIONS**

- **Product Dimensions**

(L x W x H)

8.5" x 10" x 12" (215 x 255 x 305 mm)

- **Shipping Dimensions**

(L x W x H)

12" x 12" x 20" (305 x 305 x 505 mm)

***DISCLAIMER:*** Product Dimensions are approximate. Shipping Dimensions and Weights are for directional use only and may change based on manufacturer variables. For the most accurate Shipping Dimensions and Weights, please contact the manufacturer.

## **OPTIONS**

- Recommended #902V Mobile Display Stand
- #530-000 - IPT Pipe Trades Training Manual
- #530-001 - IPT Pipe Trades Handbook
- #920F - Display/Support Assembly
