

# Downsized Saunders Diaphragm Valve Cutaway

Model: 264D

DAC Worldwide's Downsized Saunders Diaphragm Valve Cutaway (264D) is a realistic, yet economical valve sample that allows for convenient classroom training in the operation, construction, and maintenance of an industrial diaphragm valve, sometimes referred to as a Saunders valve.

Through carefully-planned sectioning and color-coding, the complete internal configuration of the valve is exposed and showcased. Seal features and hardware locations have been retained, allowing for "hands-on" training in maintenance.

The cutaway is mounted on a 13-gauge, formed-steel, powder-coated support assembly. It can also be mounted on related DAC Worldwide display and storage products.

---

## **FEATURES & SPECIFICATIONS**

**Important Product Note:** *Photographs are representative and for reference only. Product appearance and dimensions may vary based upon component manufacturer and availability. Any product dimensions given, such as size and weight, are approximate and for directional use only. For the most accurate shipping dimensions and weights, please contact the manufacturer.*

- Sectioning of actual hardware (common 3/4" - 1" valve makes and models chosen for industrial relevancy).
- Cleaning, priming, and painting using a high-durability, urethane coating.
- Color-coding of valve body, internal process surfaces, seat, and closure device using contrast colors.
- Replacement plated hardware where necessary.
- All gaskets, seals, and seats shown.
- 13-gauge, formed-steel, powder-coated support assembly, allowing for mounting on related display and storage products.
- Packaging for shipment via parcel service.

## **PRODUCT DIMENSIONS**

- **Product Dimensions**

(L x W x H)

12.25in x 12in x 9in (432 x 241 x 457mm)

- **Shipping Dimensions**

(L x W x H)

14in x 12in x 12in (355 x 241 x 241mm)

**DISCLAIMER:** *Product Dimensions are approximate. Shipping Dimensions and Weights are for directional use only and may change based on manufacturer variables. For the most accurate Shipping Dimensions and Weights, please contact the manufacturer.*

## **OPTIONS**

- Recommended #902V Mobile Display Stand
- #530-000 - IPT Pipe Trades Training Manual
- #530-001 - IPT Pipe Trades Handbook
- #902F - Electromechanical Workstation
- #920F - Display/Support Assembly
