

Extended Saunders Diaphragm Valve Cutaway

Model: 264E

DAC Worldwide's Extended Saunders Diaphragm Valve Cutaway (264E) is a large, realistic valve sample that allows for convenient classroom training in the operation, construction, and maintenance of an industrial diaphragm valve, sometimes referred to as a Saunders valve. Approximately 4"-6" examples of common valve makes and models from US manufacturers are chosen for industrial training relevancy.

Through carefully-planned sectioning and color-coding, the complete internal configuration of the valve is exposed and showcased. Seal features and hardware locations have been retained, allowing for "hands-on" training in Saunders diaphragm valve maintenance.

The cutaway is mounted on a welded, formed-steel mounting stand with provision for tabletop mounting. It can also be mounted on related DAC Worldwide bench, workstation, and storage rack products.

FEATURES & SPECIFICATIONS

Important Product Note: Photographs are representative and for reference only. Product appearance and dimensions may vary based upon component manufacturer and availability. Any product dimensions given, such as size and weight, are approximate and for directional use only. For the most accurate shipping dimensions and weights, please contact the manufacturer.

- Sectioning of actual hardware (4"-6" examples of common valve makes and models from US manufacturers are chosen for industrial relevancy).
- Cleaning, priming, and painting using a high-durability, urethane coating.
- Color-coding of valve body, internal process surfaces, seat, and closure device using contrast colors.
- Replacement plated hardware where necessary.
- All gaskets, seals, and seats shown.
- Welded, formed-steel mounting stand with provision for tabletop mounting or mounting on related DAC Worldwide bench, workstation, and storage rack products.

- Crating for shipment via motor freight.

PRODUCT DIMENSIONS

- **Product Dimensions**

(L x W X H)

6in x 12in x 13in (152 x 305 x 330 mm)

- **Shipping Dimensions**

(L x W X H)

15in x 15in x 24in (381 x 381 x 610 mm)

DISCLAIMER: *Product Dimensions are approximate. Shipping Dimensions and Weights are for directional use only and may change based on manufacturer variables. For the most accurate Shipping Dimensions and Weights, please contact the manufacturer.*

OPTIONS

- Recommended #902V Mobile Display Stand
- #530-000 - IPT Pipe Trades Training Manual
- #530-001 - IPT Pipe Trades Handbook
- #902F - Electromechanical Workstation
- #920F - Display/Support Assembly
