

Flange Sample Board

Model: 864-PAC

DAC Worldwide's Flange Sample Board (864-PAC) provides a hands-on teaching aid for piping system training, pipe fitting training, and process operations training. This industrial process system training supplement includes 15 different types of flanges on two rack-mounted panels with magnetic identification tags. These industrial flanges include a variety of face types, materials, pressure ratings, and pipe connections.

The 864-PAC includes:

- #864 - Flange Sample Board Set
- #945 - Bench Top Panel Rack

FEATURES & SPECIFICATIONS

- 15 flanges of different designs and materials.
- Engraved flange identification tags, with magnetic backing.
- Welded, 14-gauge, 1" x 1-1/2", rectangular steel tube base assembly with rubber feet.
- 16-Gauge steel, upper support structure, allowing for mounting of 19" rack panels on two sides.
- 16-Gauge steel top cap, with carrying handle.
- High-durability, powder-coated surfaces throughout, allowing for repeated use and rough handling.
- Allows for support of 19" x 21" panels.
