

Lift Check Valve Cutaway, 2" - 2.5"

Model: 257L

DAC Worldwide's Lift Check Valve Cutaway, 2" - 2.5" (257L) allows for effective classroom training in the operation, construction, and maintenance of an industrial lift-type check valve. Through carefully-planned sectioning and color-coding, the complete internal configuration of the valve is exposed and showcased. Seal features and hardware locations have been retained, allowing for "hands-on" training in disassembly and maintenance.

FEATURES & SPECIFICATIONS

Important Product Note: Photographs are representative and for reference only. Product appearance and dimensions may vary based upon component manufacturer and availability. Any product dimensions given, such as size and weight, are approximate and for directional use only. For the most accurate shipping dimensions and weights, please contact the manufacturer.
