

Steam Trap Cutaway Assortment - 4 Components

Model: 274

DAC Worldwide's Steam Trap Cutaway Assortment - 4 Components (274) includes four industrial traps – float and thermostatic trap, inverted bucket trap, thermodynamic trap, and thermostatic trap – for hands-on skill-building using industrial steam traps. This industrial steam trap training system allows learners to study the maintenance, applications, and selection of common steam traps.

Each cutaway is a real-world steam trap that has been carefully sectioned and color coded to showcase its complex internal configuration. Each trap is mounted on a formed-steel display stand.

FEATURES & SPECIFICATIONS

Important Product Note: *Photographs are representative and for reference only. Product appearance and dimensions may vary based upon component manufacturer and availability. Any product dimensions given, such as size and weight, are approximate and for directional use only. For the most accurate shipping dimensions and weights, please contact the manufacturer.*
